home page: <http://www.aczoom.com/tools/cdinsert/>

Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

# Measure For Measure William Shakespeare

## Measure For Measure

Generally considered one of Shakespeare's problem plays, Measure for Measure examines the ideas of sin and justice. Duke Vincentio turns Vienna's rule over to the corrupt Angelo, who sentences Claudio to death for having impregnated a woman before marriage. His sister Isabella, a novice nun, pleads for her brother's life, only to be told that he will be spared if she agrees to relinquish her virginity to Angelo. (Summary by Arielle Lipshaw)
